

## Pray with us

**October 2025**

Prayer is the heartbeat of Restore Glasgow,  
so thank you for praying with us!

**Tackling prostitution:** Please pray for our public event on 4th November, with Ash Regan MSP, where Evangelical Alliance Scotland, CARE and Restore Glasgow have teamed up to facilitate discussion of the Unbuyable Bill etc. You can read more about it on our [blog](#).

**Fundraising:** We need resources as we grow, and as we take on new projects. We are so grateful to those who give regularly or one-off, but please also pray for successful grant applications.

In particular, we are keen to secure funding to tell “Anna’s Story”, the true story of a woman trafficking into sexual exploitation who then fled her country for the UK. We would like to turn the story she has so bravely shared into an awareness-raising animation.

**Expanding our reach:** We are always keen to expand our church network! If your church would be interested in our work, please get in touch. Also, if your church or organisation would like free training on spotting the signs of trafficking, let us know. We provide training to both religious and secular groups and organisations.

**Rescues:** Please keep praying for rescue in Glasgow! Pray for the police to gain good intelligence and be able to rescue people trapped in our city.

**Praise:** In the last year we have been able to have a reach and influence far beyond our size, especially on the issue of prostitution. We thank God for the opportunities he has brought to us.
